

Jonathan Cox

Atlanta, Ga | cox.jonathan@gmail.com | [Portfolio](#) | [LinkedIn](#) | [GitHub](#) | 407-413-1890

Motivated, driven, self starter. Up and coming passionate software engineer, ready to tackle any problem head on. Organized and goal oriented. My passion lies in the details. Seeking a development role with a high performing team that encourages continued education.

Technical Skills

Javascript, HTML, CSS, Bootstrap, jQuery, JSON, RESTful API's , Node, Express, Python, CLI, Axios

Agile Environment, Remote Work, Visual Studio Code, Git, Github, Postman

Projects

Scene It? – [Link](#) – [GitHub](#) – May 2020 – HTML, Javascript, JSON, API, jQuery

A single page CRUD app that allows the user to search and store movies. As well as view actors, release year, and plot synopsis, accessed through the OMDB API.

Local Dashboard – [Link](#) – [GitHub](#) – May 2020 – Javascript, Google Places API, CSS, Axios

Built remotely In the Agile environment with a team of peer developers. The Dashboard accepts the users location and formats it through Google's API and renders local news, weather and traffic, all while remaining responsive.

BlackJack – [Link](#) – [GitHub](#) – April 2020 – HTML, CSS, Bootstrap, Javascript, JSON

Built with functional programming, this web app deals and removes random cards from a 52 card deck. The user decides when to hit and stay.

WebDesign – [Link](#) – [GitHub](#) – April 2020 – HTML, CSS, Bootstrap

A simplistic and modern aesthetic, this webpage showcases design and functionality in a completely responsive package.

Education

Digital Crafts – Full Stack Software Immersive Bootcamp – 16 weeks – 2020

Valencia Community College – Associate in Arts – General Studies – 2008

Experience

Cellerman – Orpheus Brewing – Atlanta, Ga – 2018 – 2020

Quality analysis, responsible for cell counts and proper yeast handling. Reports directly to operations manager.

General Manager – Octane Coffee – ATV – Atlanta, Ga – 2016 – 2018

Oversees all aspects of operation leading a team of twelve employees. Worked with Regional Manager to increase sales and implement a successful bar program.

Sous Chef – Better Half – Atlanta, Ga – 2014 – 2016

Worked directly under executive chef and owner, planning menus and executing nightly service at chefs counter. Responsible for four out of the twelve dishes on the evolving tasting menu.
